The Board Secretary conducted a roll call vote with the following results: Voting “yes” – Mr. Daley, Ms. Eisele, Mr. Forhan, Ms. Harter, Mr. Keller, Ms. Montgomery, and Mr. O’Brien. The motion was approved with seven affirmative votes.

Approval of Physics Major (Bachelor of Arts)

No. 14-2019 Ms. Eisele moved and Mr. O’Brien seconded that:

WHEREAS, a significant number of incoming physics majors at Bowling Green State University (BGSU) are not ready to start calculus, which is a corequisite for the start of the freshman physics sequence, causing students in the B.S. in Physics to fall a full year behind;

WHEREAS, students who transfer into BGSU and those who wish to change their major to physics after beginning at BGSU in other majors may be in the same position, further delaying their graduation;

WHEREAS, as a result of these circumstances, many physics majors leave the program within a year;

WHEREAS, a proposed B.A. in Physics will help to address these concerns;

WHEREAS, while B.S. graduates are prepared for graduate school and/or a wide variety of other professional positions, the proposed B.A. in Physics will place more emphasis on preparation for jobs immediately following the bachelor’s degree;

WHEREAS, students in the B.A. in Physics would be required to take 3 fewer hours of physics, but an additional 3 hours of mathematics and 10 hours of chemistry that are strongly recommended, but not required for the B.S.;

WHEREAS, students in the B.A. will focus more on practical, rather than theoretical, physics and math courses and will be encouraged to build additional skills in other areas, such as computer science, technology, or business;

WHEREAS, while B.S. students are required to participate in research, students in the proposed B.A. will be given the option to participate in an internship instead;

WHEREAS, with the prospect of professional positions outside of academia immediately following the bachelor’s degree, the proposed B.A. will assist in student recruitment and retention; and

WHEREAS, the BGSU Faculty Senate approved the proposed B.A. in Physics at its meeting on October 2, 2018.

NOW, THEREFORE BE IT RESOLVED, that the Bowling Green State University Board of Trustees approves the Bachelor of Arts in Physics.

All signified in affirmative. Motion carried.

Bachelor of Science in Resort and Attraction Management

No. 15-2019 Ms. Eisele moved and Ms. Montgomery seconded that:

WHEREAS, currently, there are very few specialized degrees that specifically address resort and attraction management leadership in the country;

WHEREAS, there is an undeveloped and sizeable opportunity for an undergraduate degree targeted specifically to prospective resort and attraction managers;

WHEREAS, with very few specialized degrees that address resort and attraction and management and the large number of amusement parks and other attractions, the prospective demand for a BGSU program in Resort and Attraction Management (RAAM) is high;

WHEREAS, the goal of the proposed RAAM program is to provide prospective resort and theme park attraction managers with the knowledge, skills, and aptitude needed to successfully lead organizations within the resort and attraction industry;

WHEREAS, the RAAM program will prepare students to be successful leaders in the resort and attraction management industry by delivering an applied immersive learning experience within an integrated curriculum dedicated to academics, industry engagement, and professional career development;

WHEREAS, the RAAM program will offer immersive learning experiences outside the classroom and provide applied learning experiences, including co-ops locally, domestically, and worldwide;

WHEREAS, the curriculum will enhance the business acumen of students by providing a fundamental knowledge in revenue management, cost control mechanisms, technological awareness, communication skills, and ethics;

WHEREAS, serving the demand for resort and theme park managers requires a unique and customized educational program that fits within the seasonality of the industry and offers opportunities for students to complete co-ops and other applied active learning opportunities during a time frame that is accommodating for potential employers;

WHEREAS, an adapted degree program will allow students to take courses during the resort and attraction industry's slow season and complete co-ops during the peak season;

WHEREAS, students will matriculate through the courses in a 2+2 sequenced cohort program, requiring the completion of 62 credit hours;

WHEREAS, approximately 50 students will be in each cohort;

WHEREAS, by partnering with Cedar Fair, BGSU can position itself as a feeder school to their organization and others by helping develop future management leaders;

WHEREAS, Cedar Fair can encourage employees to enroll in the program as a way to cultivate talented employees into tomorrow's leaders; and

WHEREAS, at its meeting on December 4, 2018, the BGSU Faculty Senate approved the proposed Bachelor of Science in Resort and Attraction Management.

NOW, THEREFORE BE IT RESOLVED, that the Bowling Green State University Board of Trustees approves the Bachelor of Science in Resort and Attraction Management.

All signified in affirmative. Motion carried.

Ms. Forte reported that the committee also heard an update from Academic Affairs and Student Affairs, presented by Dr. Fischer and Dr. Gibson.

Approval of Naming the Dr. Joseph F. and Mrs. Cecilia M. Castellano Counseling Room

No. 19-2019 Mr. Daley moved and Mr. O’Brien seconded that:

WHEREAS, Dr. Joseph Castellano was an accounting professor for thirty years at Wright State University and, prior, twenty years at the University of Dayton;

WHEREAS, Dr. Castellano served as the Dean of the College of Business at both Wright State and the University of Dayton;

WHEREAS, Joseph and Cecilia Castellano have three children;

WHEREAS, Cecilia Castellano earned a bachelor’s degree in communication in 1990 and master’s degrees in guidance and college student personnel in 1992 from Bowling Green State University (BGSU);

WHEREAS, Cecilia Castellano is Vice Provost for Strategic Enrollment at BGSU;

WHEREAS, Frank Castellano attended BGSU before transferring to Wright State to study medicine;

WHEREAS, he is a neuroradiologist and president at Columbus Radiology in Columbus, Ohio;

WHEREAS, Joe Castellano earned a bachelor’s degree in technology in 1993 from BGSU;

WHEREAS, as a student, Joe played football for the Falcons and was part of the 1991 championship team;

WHEREAS, Joe owns the Amber Rose restaurant in Dayton, Ohio;

WHEREAS, the University has received a gift from Cecilia Castellano and Robert Ashenfelter, Frank and Amy Castellano, and Joe and Jennifer Castellano to honor the legacy and support of their parents;

WHEREAS, in recognition of this gift, it is fitting that a space be named in their honor; and

WHEREAS, a counseling room has been identified as the space to be named.

NOW, THEREFORE, BE IT RESOLVED, in recognition of this generous support, the Bowling Green State University Board of Trustees approves the naming of the Dr. Joseph F. and Mrs. Cecilia M. Castellano Counseling Room.
